We understand that APS is planning to begin installation of Smart Meters in Payson on July 1st. We are not in favor of this plan, and do not consent to having a wireless digital meter installed on our home. We wish to OPT OUT of this installation, and retain our current analog meter. We are willing to read our own meter once a month and report the reading to APS, as allowed by State Law.

Our reasons for opposing this plan are:

1. The possibility that pulse microwave transmitters/receivers may cause health issues.
2. These matters may cause privacy issues and infringement of our 4th Amendment Rights.

We strongly oppose the OPT OUT fees of \$75.00 to the ACC, and the monthly charge of \$30.00 proposed by APS.

Thank you for your consideration, Ray J. and M. Joyce Ruetz, Homeowners
